Congratulation to all Science Olympiad team students, parents and coaches!

We wish them all Good Luck at Augusta State University, the host university for National Science Olympiad Tournament this year.

Way to go!

The Science Olympiad Team is seeking used license plates (any state) and give-aways (pens, cups, pins, hats, etc.) from Atlanta businesses (e.g., Coca-Cola, CNN, CDC, Turner Broadcasting, etc.) to trade with Science Olympiad students from other states at the National tournament.
