

STATE OF GEORGIA  
OFFICE OF THE GOVERNOR  
ATLANTA 30334-0900

Sonny Perdue  
GOVERNOR

October 29, 2007

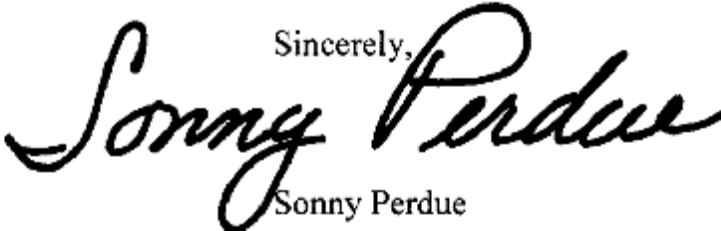

To: The Students, Parents, Faculty and Staff of **Fulton Science Academy**

Greetings:

It is a great pleasure to send you all my regards and heartfelt congratulations on achieving the Platinum Award for the greatest gains and the Silver Award for the highest performance under the 2007 Single Statewide Accountability System Awards. Fulton Science Academy is one of only seven schools in Georgia to merit recognition for both outstanding progress and overall performance. This is a tremendous accomplishment and a testament to all of your hard work and dedication.

Education is the primary gateway to success in life. Nothing is more important in providing a firm foundation from which to continue building our state and our nation. That is why I am so very proud of the efforts each and every one of you have made in working together to pursue educational excellence. You have begun to reap the rewards of the seeds you have planted. I urge you to continue in this endeavor as I believe that it will bring you an even richer harvest in the future, and this will make the future a bountiful one for Georgia.

Thank you for all you do. I wish you continued success, and I am confident these awards are only the beginning of great things to come.

Sincerely,  
  
Sonny Perdue
