

Dear Parents:

I am very happy to inform you that 11 FSA students competed in the State Tech Fair on Saturday, March 14, 2009 at West Forsyth High School and received following wonderful results:

### 1st Place in the State Tech Fair

Boris Jakab à 3-D Modeling  
Preston Oakes & Alexander Gibson à Case Modification  
Zack Hosseini à Digital Video Editing  
Aditya Ganddipati & Timothy Riordan à Hardware  
Albert Shaw à Individual Programming Challenge  
Boris Jerkovic à Robotics

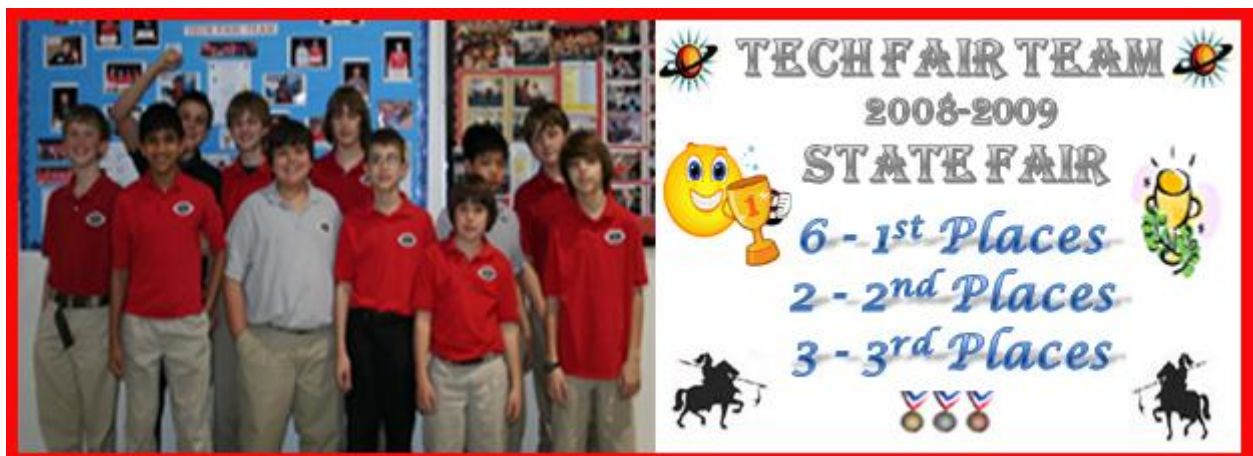

### 2nd Place in the State Tech Fair

Robert Batson à Non-Animated Graphic Design  
Sam Teegardin à Digital Video Editing

### 3rd Place in the State Tech Fair

Benjamin Bierbaum à Multimedia

First time in FSA's history FSA students won 6 first places in the State Tech Fair. This is more than 20% of all possible Middle School level 1st places in the State. Congratulations to these students, their parents and FSA Tech Fair Team Coach, Mr. Bekaroglu for the wonderful results!

We are also very happy that once again our sister high school, TEACH did a wonderful job in the high school level received 7 first places in the State Tech Fair in the State.

It is great to see that out of 8 TEACH students who won 1st Place in State Tech Fair, 7 of them are FSA graduates. Way to go!
