

.: Traffic Update

Board members, parents and administration worked hard to improve the traffic congestion that has affected everyone on Monday. It's getting better everyday. We are now able to vacate the whole school in 25 minutes. We are working diligently to make this process even faster. Good job everybody, keep up the good work, and thanks for your help.

.: Year Round Spanish Class

We will start year round Spanish classes next week on. You should have received a letter regarding this issue. If you have not returned it yet, please call the school and leave a message at extension 110 (For Mr. Ozer). We will be unable to change the schedule after Monday, August 19, 2002. So it is very important for you to let us know about your request. Remember, to be eligible for Spanish class, Reading level must be at or above 85th percentile on a standardized test or the recommended Reading level from the previous school must be Advanced.

.: Board Members Elections

As most of you already know there will be an election held for the 4 positions of the Fulton Science Academy Middle School Governing Board. At this time a letter of interest is welcome. For more information please contact Mr. Ozdemir.

.: After School Activities

After school activities will begin the first week of September. Some of the clubs that will be active are: Computer, Math, Science, Drama, Journalism, Junior Beta, Wrestling, and Volleyball. Parents are welcome to bring their expertise for after school activities. If you feel you can help us organize an after school activity please contact Mr. Conrad, the school Counselor.

.: Web Site Update and Homework Hotline

We are working on a new website for our school. It will contain pertinent information for students, parents, and teachers. Homeworks will be posted on our website by the teachers. The teachers have already started to prepare their web sites and will launch soon. Homework hotlines will be activated next week.

.: Email Directory

In the first week students and parents met a lot of challenges. The school staff did their best to address the issues. In case you need to contact a teacher regarding a specific problem you can view our school's e-mail directory from our website.
