Mrs. Teeling is proud to announce that beginning October 21st through November 2nd, a collection of 8th grade Art work will be on display at the Integrity Bank at 11140 State Bridge Road, Alpharetta. The work will be in the lobby for the two week period only. A variety of 2 dimensional work as well as some of our "Bedazzled Bugs" and custom designed CD's will be on display. Please come by and take a look at the creative work our students have accomplished in the first nine weeks at Fulton Science Academy.

.: Entering the School

Parents, please use Hembree Road to make a right turn into Sims Industrial Boulevard to come to FSA. It will cut our traffic cost by 75%.

.: Bus Openings

Parents, we have approximately nine seats that are available on the North Fulton bus. You do not have to live within the school bus zone to ride. If you are interested in your child riding the bus, please contact our Assistant Principal, Gina Holloman. We will be assigning seats on a first come, first serve basis.

.: Thank You

Parents, thank you for all the generous donations. We would like to especially thank Mr. David Turner of Nature's Purest Water for his donation of a water cooler to the teachers' lounge.
