We had an award ceremony for the Principal's Honor Roll, Honor Roll and Achievement Roll. On the Principal's Honor Roll there are 21 students who have a GPA of 95 and above with good discipline records. There are 61 students (GPA between 90 and 94.94 with good discipline records) on the Honor Roll. In the Achievement Roll there are 41 students (with GPAs between 85 and 89.94 with good discipline records). Good job students keep up the professionalism.

Enrollment Season for prospective students has already started. We have had 16 new applications for 2002-03 school year since January 6, 2003.

We sent re-registration forms for current students yesterday. We need to get back those forms by March 14, 2003. Siblings need to be registered by March 14, 2003. After March 14, 2003 everybody will be placed into the lottery.

Students are not allowed to bring microwavable food items to school.

Parents stop by to check the lost and found to see if any items belong to your child. We will give them to the Salvation Army on Friday, January 24, 2003.

Parents, please remember when you pick up your child, small vehicles should be in the first line, SUVs and Vans should be in the second and third lines in the parking lot.

Thank you to Mrs. Watson for the wonderful blinds in the administrative offices. I would also like to thank Mrs. Kriske for the lovely planters in the front entrance. They are a beautiful addition to the school.
